

# Brave Combo, Lilli Marlene

Outside the barracks by the corner light  
I'll always stand and wait for you at night  
We will create a world for two  
I'll wait for you the whole night through  
For you, lilli marlene  
For you, lilli marlene

Bugler tonight, don't play the call to arms  
I want another evening with her charms  
Then we will say goodbye and part  
I'll always keep you in my heart  
With me, lilli marlene  
With me, lilli marlene

Give me a rose to show how much you care  
Tied to the stem, a lock of golden hair

Surely tomorrow you'll feel blue  
But then will come a love that's new  
For you, lilli marlene  
For you, lilli mar-lene

When we are marching in the mud and cold  
And when my pack seems more than I can hold  
My love for you renews my might  
I'm warm again, my pack is light  
It's you, lilli marlene  
It's you, lilli marlene

My love for you renews my might  
I'm warm again, my pack is light  
It's you, lilli marlene  
It's you, lilli mar-lene
