

Brave Combo, Linda Guerita

What a chore! Bubba sings so fast, it's hard to understand what he's saying. But here's my best guess

Son de Sonia
Linda Guerita
Aquella noche le encontré Bailando cumbia, bailando salsa
De linda Sonia me enamoré Son (prietas or fiestas?)
Son pachanga (?)
De la (cuilla?) conocer
donde fuiste?
Mi mujercita
Si (vino?) se que mas hacer
Hice un duramente
Por el (???) yo te perdí Aunque me encontrabas
Solo en mis sueños estas en mi

choro:

Mi linda Sonia
Linda Guerita
Solo en mis sueños
Estas a mi
donde fuiste?
Mi burrocita
Solo en mis sueños
Estas en mi
(grito)

repeat first verse

Mi Linda Sonia
Solo en mis sueños
donde fuiste?
Solo en mis sueños

choro

(grito)

hoo-hoo!

HEY!

Translation:

:) But here's my best shot - I have the basic gist of it anyways:

I dreamt of Sonia
a beautiful white girl
The other night I met her
Dancing a cumbia, dancing a salsa
of beautiful Sonia I am enamored
I dreamt of (parties?)
I dreamt of (???)
of the (???) to know
where did you go?
my little woman
(???) of more to do
for the (???) I lost you
Though you encountered me
you are mine only in my dreams

My beautiful Sonia
beautiful white girl
only in my dreams

you are with me
Where did you go?
my little stupid one (not meant in a bad way)
only in my dreams
you are with me

etc.

HOw's that?
