

Brave Combo, Money Can't Buy Everything

I won't give you diamond rings
Won't give you expensive things.
I won't give you fancy stones
Airplane rides or large bankrolls.

Refrain:
But I'll give you all my love
And I'll give you all my house.
I'll give you the song I sing
Money can't buy everything.

Long vacations far away
Not with me 'cause I can't pay.
Limousines and big lear jets
Not with me you'll ever get.

Refrain

But I'll give you all my love
And I'll give you all my house
I'll give you the song I sing

Whoa yeah!

If you wanna hang around
Every other guy in town
When he flashes lots of green
Make sure that he hears you sing.
