

# Brave Combo, Our Imagined Image

Refrain:

We are so misinformed  
We are so insecure  
Everything's a threat to  
Our imagined image

If there was no concern  
For our bloated greatness  
There would be no ego  
There would be no fighting

What are we afraid of

What are we working for  
We're left alone in the dark  
To cultivate our pride and...

We are so misinformed  
We are so insecure  
Everything's a threat to  
Our imagined image

Hey!

Refrain (twice)
