

Brave Combo, That Old Feeling

I saw you last night and got that old feeling
When you came in sight I got that old feeling
The moment you came by I felt a thrill
And when you caught my eye
My heart stood still
Once again I seemed to have that old yearning

And I knew the spark of love was still burning
There'll be no new romance for me
It's foolish to start
For that old feeling is still in my heart
