

Brave Combo, The Jeffrey

Jeffrey:

I am the master of my own universe.
And I dance just as good as I want to.
I have created a dance in my own image.
Look at me!
One, two, three, four...
Nothing.

Chorus:

Nada.

Jeffrey:

Amazing.
How can you tell the dancer from the dance?

Nikki:

Oh Jeff your dance is divine.
Teach me to dance Jeffrey.
Move my body with your hands.
How should I move my hips?

Jeffrey:

Your hips will take care of themselves.

Chorus:

Your hips will take care of themselves.

Jeffrey:

Hips.
Oh yeah.
Now.
Resume the active phase.

Chorus:

Your hips will take care of themselves.

Jeffrey:

Hips.
I am the master of my own universe.
And I dance just as good as I want to.
I have created a dance in my own image.
Look at me!
