

# Brave Combo, The Way of Love

When you meet a boy  
That you like a lot  
And you fall in love  
But he loves you not  
If a flame should start  
When he holds you near  
Better keep your heart  
Out of danger dear

For the way of love  
Is a way of woe  
And the day may come  
When you'll see him go  
What will you do  
When he sets you free?  
Just the way that you  
Said good-bye to me

Corazon triste corazon  
Mira como me haz dejado  
Solo y triste sin tu querer  
Mira como va esa ingrata mujer  
Despreciando a mi querer

Me dejo aqui solo y triste  
Con el corazon pisad
