or pass it to Naish, or pass it to Jung  
or pass it to Horse, then that ass gettin tossed  
fuck a hustler book, penthouse or blacktale

i fuck a bitch face more than her waist for real  
and aint no pussy like new pussy thats how a nigga feel

Make her come four times without even tryin  
I'll beat that pussy up there's no denyin  
Hit her where she doodie at, make that booty fat  
Little cutie rat, walking by with the doobie wrap  
Tight blue jeans, air max  
Small gucci bag  
No loot and no job  
Stay home giving blow jobs  
Like no prob, it's simple  
Holla out the window it's the project nympho  
Fuck my whole crew, you know how we do

Be a brave girl, do your thang

(1st chorus)

(2nd chorus)

(Verse Three)

When it comes to sex I'm similar to the thriller in manilla  
Bitches call me Horse the pussy filler  
I'll fuck a big boned or slim chick  
Beat that pussy up real quick then send home the bitch  
Aint no sleepin in my bedroom  
When henny's in my dick  
When Flex drop the bomb i bust a nut on this bitch  
Deep throat, ceaser gold or pun wicked hoes  
Who like the way i thug and the way i flow  
I like head in the Benz, the four door or the Coupe  
Head in the staircase, the cellar or the roof  
Head in the studio, the bathroom or the booth  
Head from a project chick or one with crazy loot  
Like Nia Lomg in a cherry thong with the lights on  
Sippin Perignon with Kelly Price on  
I pull out my python, I hit it while my wife's gone  
Long dick the bitch all night, I'll make her pussy sing the song
