

# Braxtons, Never Say Goodbye

Chorus

Love, your love has a way  
Of making me stay  
My soul tells me, I've found my true love  
I won't walk away  
I'll never give up  
Never say goodbye  
I know that it's over  
Between you and I  
But my heart will always  
See you as mine

Repeat Chorus

So many nights I sit here alone  
Waiting and hoping for your love  
To come home  
My heart belongs to you and only you  
I could never give up on a love so true

Repeat Chorus

You know that I love you  
You know that I need you  
You know that I'll never  
I'll never let you go  
So many nights I sit here alone and  
I'm waiting and hoping for you to come home  
I found my true love I won't walk away  
Never give up  
Never say goodbye
