

Braxtons, The Boss

Fancy me
Thought I had my degree
In life
And how love
Ought to be right

I had a one step plan
To prove it
Guide in my pocket for fools
Falling in love
Love had to show me one thing

Chorus:
I was so right
Thought I could turn emotion
On and off
I was so sure
But love taught me
Who was the boss

I defy
Anyone who claims that I
Didn't control
Whatever moved
In my soul

I could touch
Touch delight
Just because you fell for me
Why should I feel uptight
Love had to show me one thing

Chorus (2x)

I was so right
Thought I could turn emotion
On and off
I was so sure
But love taught me
Who was the boss
