Braxtons, The Boss

Fancy me Thought I had my degree In life And how love Ought to be right

I had a one step plan
To prove it
Guide in my pocket for fools
Falling in love
Love had to show me one thing

Chorus:

I was so right Thought I could turn emotion On and off I was so sure But love taught me Who was the boss

I defy Anyone who claims that I Didn't control Whatever moved In my soul

I could touch
Touch delight
Just because you fell for me
Why should I feel uptight
Love had to show me one thing

Chorus (2x)

I was so right Thought I could turn emotion On and off I was so sure But love taught me Who was the boss

Chorus
