

Bread And Bones, Slipping On Your Way

You tell me darling that your love is pure
Oh the world would end before you'd ever feel unsure
But it hardly seems to matter what you say
Cause every day
Every day
I know you're only slipping on your way

You tell me darling that our love is bright
But I can see you say it just to be polite
Oh it hardly seems to matter what you say
Every day
Every day
I know you're only slipping on your way

Some people only tell you what you want to hear
Some people never seem to make their meaning clear
Oh darling please now be sincere

Tell me darling, don't you lead me on
In a year will you be here or will you be long gone
Oh it hardly seems to matter what you say
Cause every day
Every day
I know you're only slipping on your way

Tell me darling am I wrong or right
To ask you what it is you really feel tonight
Oh it hardly seems to matter what you say
Every day
Every day
I know you're only slipping on your way
Every day
Every day
I know you're only slipping on your way
