

Bread, Make It With You

Hey have you ever tried,
Really reaching out for the other side?
I may be climbing on rainbows
But, baby here goes.

Dreams they're for those who sleep,
Life is for us to keep,
And if you're wond'ring
What this song is leading to

I want to make it with you
I really think that we can make it girl.

No, you don't know me well,
In ev'ry little thing only time will tell,
If you believe the things that I do.
And we'll see it through.

Life can be short or long,
Love can be right or wrong,
And if I choose the one
I'd like to help me through,

I'd like to make it with you
I really think that we can make it girl.

Baby you know that
Dreams they're for those who sleep,
Life is for us to keep
And if I choose the one
I'd like to help me through,

I'd like to make it with you
I really think that we can make it girl.
