

Bread, Yours For Life

In this day and age where changes happen twice as fast
Sometimes I get wonderin' if anything will last
People changin' partners like they change their underwear
Maybe I'm old-fashioned but darlin' I still care.

CHORUS

And I'm yours for life
Come and be my lifetime
Come and take the love I have for only one
Yes I'm yours for life
Come and share my lifetime
Share the world until our day is done.
Time that I first saw your face I loved you where you stood
In your eyes a kindness - told me you were good
And if the world could share your heart there'd never be a war
And darlin' if I tried and tried I could not love you more

CHORUS

Sometime I pray that you will always be the way you always
Are to me
'Cause if I lost you to the winds of change then I would cease to be.
