Paint me like a French Girl  
Paint me like a French Girl

Baby I'm your canvass  
I'm eager and I'm keen  
Do you want me posing  
Or should I look mean

Paint me like a French girl  
Maybe drop my sheet  
Watch you make some brush strokes  
Maybe some on me

Paint me like a French girl  
You can hang me in the Louvre  
Make me grin like Mona Lisa  
I'm gonna get you in the mood  
Get you in the mood

Paint me like a French girl  
You can hang me in the Louvre  
Make me grin like Mona Lisa  
I'm gonna get you in the mood  
Get you in the mood
