

# Breaking Benjamin, Anthem of The Angels

White walls surround us  
No light will touch your face again  
Rain taps the window  
As we sleep among the dead

Days go on forever  
But i have not left your side  
We can chase the dark together  
If you go then so will I

There is nothing left of you  
I can see it in your eyes  
Sing the anthem of the angels  
And say the last goodbye  
Verse 2

Cold light above us  
Hope fills the heart  
And fades away  
Skin white as winter  
As the sky returns to grey

Days go on forever  
But I have not left your side  
We can chase the dark together  
If you go then so will I

There is nothing left of you  
I can see it in your eyes  
Sing the anthem of the angels  
And say the last goodbye  
I keep holding onto you  
But I can't bring you back to life  
Sing the anthem of the angels  
Then say the last goodbye

Your're dead alive (x4)

There is nothing left of you  
I can see it in your eyes  
Sing the anthem of the angels  
And say the last goodbye  
I keep holding onto you  
But I can't bring you back to life  
Sing the anthem of the angels  
And say the last goodbye
