

Breaking Benjamin, Awake

wait another minute
Can't you see what this pain has fucking done to me
I'm alive and still kicking
What you see I can't see and maybe you'll think before you speak
I'm alive,
For you I'm awake
Because of you I'm alive
I Told you I'm awake,
Swallowing (You!)
(YEAH!)
Take another second
Turn your back on me
and make believe that you're always happy
It's safe to say you're never alive
A big part of you has died and by the way,
I hope you're satisfied
I'm alive,
For you I'm awake
Because of you I'm alive
Told you I'm awake,
Swallowing you
(X2)
I'm alive,
For you I'm awake
Because of you I'm alive
Told you I'm awake,
(X2)
tearing it back, unveiling me
taking a step back so i can breathe
hear the silence about to break
fear resistance when im awake
(X2)
(Oh YEAH!)
(X2)
I'm alive,
For you I'm awake
Because of you I'm alive
I Told you I'm awake,
Swallowing you
