

# Breaking Benjamin, No Games

this game is over  
I'm mean and older  
you're coming closer  
over and over  
my dear Brianna,  
I need an answer  
what was the question?  
I can't remember

[chorus]  
would you, want to  
feel the way that I do  
and I bend, to your will  
not for blaming my self

tied to the needle  
my drunk libido  
my nervous ego  
the faster we go  
you are an asshole  
king of the castle  
I am the meager  
follow the leader

[chorus x2]

And I know  
that you don't  
like the way that it goes  
we're all in  
so begin  
just remember I win

but I win [x8]
