

# Breaking Benjamin, Unknown Soldier

Borderline, dead inside  
I don't mind falling to pieces  
Count me in, violent  
Let's begin feeding the sickness  
How do I simplify?  
Dislocate, the enemy's on the way

Show me what it's like  
To dream in black and white  
So I can leave this world tonight

Full of fear, everclear  
I'll be here, fighting forever  
Curious, venomous  
You'll find me climbing to heaven  
Never mind, turn back time  
You'll be fine; I will get left behind

Show me what it's like  
To dream in black and white  
So I can leave this world tonight  
Holding on too tight  
Breathe the breath of life  
So I can leave this world behind

It only hurts just once  
They're only broken bones  
Hide the hate inside

Show me what it's like  
To dream in black and white  
So I can leave this world tonight  
Holding on too tight  
Breathe the breath of life  
So I can leave this world behind
