

# Breaking Benjamin, Water

What's all this talk of a notion?  
I'd rather drink from the ocean  
What did you mean when you said no?  
I only want what is best for you

I won't ever let you drown  
No, I won't ever let you down

'Cause I am my enemy  
The water's up to the knee  
I never wanted nothing from you  
Yes I do, yes I do  
My engine's running on dry  
My head's so fucked up inside  
Shut up  
I know  
I said so

There is no end to recover  
You tell me there is no other  
The surface is getting hotter  
Well, I'll shove your head under water

But I won't ever let you drown  
No, I won't ever let you down

'Cause I am my enemy  
The water's up to the knee  
I never wanted nothing from you  
Yes I do, yes I do  
My engine's running on dry  
My head's so fucked up inside  
Shut up  
I know  
I said so

Drink!

'Cause I am my enemy  
The water's up to the knee  
I never wanted nothing from you  
Yes I do, yes I do  
My engine's running on dry  
My head's so fucked up inside  
Shut up  
I know  
I said so

Shut up  
I know  
I said so

Shut up  
'Cause I know  
I said so
