

# Breaking Benjamin, You Fight Me

You fight me  
Flat on my lonely face I fell  
Finding in the end I live well  
In the light of the life that I have found  
It's coming down  
I don't know what isn't real  
But it's easy to beat me  
Suck it in  
Life is sink or swim  
Love is blinding  
No surviving  
I don't know what I want to be yet  
But I can show that I need to see this  
No time for lies and empty fights  
I'm on your side

Can't we live a life of peace and happiness?  
I don't think so  
No denying that I'm scared to lose the things I love  
I'm in control

This is how  
This is how it's gonna end  
This is how  
This is how it's gonna end  
End

Everyone is waiting here  
For everyone  
Leave me alone

This is how  
This is how it's gonna end  
This is how  
This is how it's gonna end  
This is how  
This is how it's gonna end

NO

This is how  
This is how it's gonna end  
End
