

# Breaking Point, One Of A Kind

I've got this feeling deep inside,  
But what it is I don't know.  
My vision starts to change,  
My mind gets filled with rage.  
I raise my fist up to the sky.  
What do you see!

The fear I see when I look in your eyes,  
Makes you believe I'm one of a kind.  
One of a kind!  
Fear I leave in the back of your mind,  
Makes you believe I'm...  
One of a kind!

One of a kind!  
One of a kind!

And now I feel like I'm alive.  
Don't know just how I got so low.  
These voices in my mind,  
Tell me it's killing time.  
And it's a thrill I can't describe.  
What do you see!

The fear I see when I look in your eyes,  
Makes you believe I'm one of a kind.  
One of a kind!  
Fear I leave in the back of your mind,  
Makes you believe I'm...  
One of a kind!

hey, hey, hey  
One of a kind! hey, hey, hey  
One of a kind! hey, hey, hey  
One of a kind! hey, hey, hey

The fear I see when I look in your eyes,  
Makes you believe, makes you believe.  
Fear I see in the back of your mind,  
Makes you believe, makes you believe.

The fear I see when I look in your eyes,  
Makes you believe I'm one of a kind.  
One of a kind!  
Fear I leave in the back of your mind,  
Makes you believe I'm...  
One of a kind!

The fear I see when I look in your eyes, (hey, hey, hey)  
Makes you believe I'm one of a kind. (hey, hey, hey)  
One of a kind!  
Fear I leave in the back of your mind, (hey, hey, hey)  
Makes you believe I'm one of a kind. (hey, hey, hey)

One of a kind! hey, hey, hey  
One of a kind! hey, hey, hey  
One of a kind! hey, hey, hey  
One of a kind! hey, hey, hey
