

Breaking Point, One Of A Kind

I've got this feeling deep inside,
But what it is I don't know.
My vision starts to change,
My mind gets filled with rage.
I raise my fist up to the sky.
What do you see!

The fear I see when I look in your eyes,
Makes you believe I'm one of a kind.
One of a kind!
Fear I leave in the back of your mind,
Makes you believe I'm...
One of a kind!

One of a kind!
One of a kind!

And now I feel like I'm alive.
Don't know just how I got so low.
These voices in my mind,
Tell me it's killing time.
And it's a thrill I can't describe.
What do you see!

The fear I see when I look in your eyes,
Makes you believe I'm one of a kind.
One of a kind!
Fear I leave in the back of your mind,
Makes you believe I'm...
One of a kind!

hey, hey, hey
One of a kind! hey, hey, hey
One of a kind! hey, hey, hey
One of a kind! hey, hey, hey

The fear I see when I look in your eyes,
Makes you believe, makes you believe.
Fear I see in the back of your mind,
Makes you believe, makes you believe.

The fear I see when I look in your eyes,
Makes you believe I'm one of a kind.
One of a kind!
Fear I leave in the back of your mind,
Makes you believe I'm...
One of a kind!

The fear I see when I look in your eyes, (hey, hey, hey)
Makes you believe I'm one of a kind. (hey, hey, hey)
One of a kind!
Fear I leave in the back of your mind, (hey, hey, hey)
Makes you believe I'm one of a kind. (hey, hey, hey)

One of a kind! hey, hey, hey
One of a kind! hey, hey, hey
One of a kind! hey, hey, hey
One of a kind! hey, hey, hey
