

Breathe Carolina, The Birds And The Bees

I hope you know I swear to god,
I hope you know that this won't stop.

I hope you know I swear to god,
I hope you know that this won't stop.

I hope you know I swear to god,
I hope you know that this won't stop.
-God damn, just another heartbreak-

-CHORUS-

I swear to god, I won't stop until you're shakin',
-Trust me baby, you know I want you to-
And let me slide into you, please baby,
-And if you're screamin', than I'm screamin' too-
If you want it let me bring it, let me sneak into your house tonight.

-Breathe in-
and I'm coming to these terms that my heart won't beat anymore,
-I just can't get it-
Sing along sing if you want, ten more seconds 'til we're through the door,
And it's a dance party everyone's looking for, been drinkin' tonight,
And I won't stop, when it's a quarter to four daylight is breakin'.

-CHORUS-

I'll call you in the morning if you think it's right..
Is it over? Is it over?
Now at the dance party, everyone looked just right, I played you all night, would you believe me, if I
Would you take me to the place you know the one that leaves me all alone?
Wait right here just for a minute we'll talk a little just about it, we'll take it slow, I won't let you go.

-CHORUS-

I swear to god I won't stop until you're shakin',
And let me slide into you, please baby,
I swear to god I won't stop until you're shakin',
And let me slide into you, please baby.
