

Bree Runway, Somebody Like You

Ooh
Somewhere in the water
In the darkness so far away
There's a piece of my dreams (Ooh)
There's fruits in the garden
Falling
I'm bad for you
But can you see through my deed?

Don't wanna wait till morning, hours
Don't wanna wait too long, let's dive in
Cause you are such a precious diamond
Imagine finding somebody like you
Somebody like you

Somebody like you

OooOoooh, mmm-hmm

Ah ah, chika, somebody like
Ah ah, chika, somebody like
Ah ah, chika, somebody like

Ooh, ooh, ooh, you're the one that see through
Ooh, ooh, ooh, ooh
Shine the light into the truth
If I had another chance at life
Baby I would say yes and do this twice
Hoping our worlds will collide
I'm embracing this paradise

We can go on and on
And all night long
And more and more
Yeah, that's what I like
Take me to the moon, to the stars, cause your love sends me high above

Don't wanna wait till morning, hours
Don't wanna wait too long let's dive in
Cause you are such a precious diamond
Imagine, finding, somebody like you
Somebody like you

(Somebody) somebody like you

Somebody, somebody, like you

Somebo...
(ah ah, chika, somebody like)
(ah ah, chika, somebody like)
(ah ah, chika, somebody like)

Somebody like you

(ah ah, chika, somebody like)
(ah ah, chika, somebody like)
(ah ah, chika, somebody like)

Somebody like you

Somebo... (chika, somebody like)
Somebo... somebo... somebo... (chika, somebody like)
Somebody like
Somebody like you (ah ah, chika, somebody like)

Somebody like
Somebody like
Somebody like (chika, somebody like)

Hmmm, I wanna die for somebody like you
Do some fuckin time for somebody like you

Ooh I wanna die for somebody like you
Some fuckin time for somebody like

Ooh I wanna die for somebody like you
Do some fuckin time for somebody like

Ooh I wanna die for somebody like you
Some fuckin time for somebody like you
