

Breed 77, A Safe Place

Hiding in
Hide inside myself and I trust nobody else
Farther from
The truth, the lies, the open
Truth the lies are open

Watching, waiting, asking
Fallen, deeper, hiding
Hiding, hiding, hiding, hiding

Fallen in
In a hole I dug myself, ain't no room for no one else
Farther from
The sun don't shine on my head
The sun don't shine but I can

Watching, waiting, asking
Fallen, deeper, hiding
Hiding, hiding, hiding, hiding

Hiding, hiding, hiding

Watching, waiting, asking
Fallen, deeper, hiding
Hiding, hiding, hiding, hiding
