Breed 77, Rise

You realise
What I've seen with these eyes

If you could see my pain
See my pain with my eyes
You'd begin to unlearn
You would recognise
If you could see my pain
See my pain with my eyes
But I can see right through
Right through you thing disguise

Come in, come in, come in
Come in and realise that
I'm not the one who's gonna
Bring it all back to you
I'm not the one
Who's gonna tell you
What's right, what's wrong
What? What? What?

I see what you mean to me
I see
I see what you mean to me
I see

Now, now
You visualise
Pain I've seen with these eyes

If you could see my pain
See my pain with my eyes
You'd begin to unlearn
You would recognise
If you could see my pain
See my pain with my eyes
You would know that it's time
Time to rise

Come in, come in, come in
Come in and realise that
I'm not the one who's gonna
Bring it all back to you
I'm not the one
Who's gonna tell you
What's right, what's wrong
What? What? What?

I see what you mean to me
I see
I see what you mean to me
I see

Guardaremos nuestras verdades
Nos escondemos de la luz
Nos destruye la oscuridad
Y subimos hasta el cielo
Y subimos hasta el cielo
Y subimos hasta el cielo
Y subimos hasta el cielo
Y subimos hasta el cielo

If you could see my pain
See my pain with my eyes

You'd begin to unlearn
You would recognise
If you could see my pain
See my pain with my eyes
You'd be standing here
Standing by my side

If you could see my pain
See my pain with my eyes
You'd begin to unlearn
You would recognise
If you could see my pain
See my pain with my eyes
What? What? What?

Come in, come in, come in
Come in and realise that
I'm not the one who's gonna
Bring it all back to you
I'm not the one
Who's gonna tell you
What's right, what's wrong
What? What? What?

What? You don't know me?
And we were sailing away
(?)
Now it's happening
Now it's happening
Now it's happening
It's time to rise
Rise, rise, rise
Rise, rise, rise, rise
Now, now
No now
Now
