

Breed 77, The Final Prayer

If I lose my thoughts
If I lose my faith in what I believe
If I lose my way
If I find the place where I will go
If I sell myself
If I sell my soul, my house, my home
If I sell my sky
If I sell the moon, the stars, the sun

Sow emotion
We sow emotion

Don't believe in God
I never did
Does God believe in me?
I know he did
Don't believe in God
I never did
Does God believe in me?
I know he did
Don't believe in God
I never did
Does God believe in me?
I know he did
Don't believe in God
I never did
Does God believe in me?
I know he did
Emotion

If I sell my soul
If I sell my books and all I read
If I lose my way
If I find a place where I belong
If I kneel some more
If I look to God, when will I pray?
If I sell my sky
If I sell the moon, the stars, the sun

Sow emotion
We sow emotion

Don't believe in God
I never did
Does God believe in me?
I know he did
Don't believe in God
I never did
Does God believe in me?
I know he did
Don't believe in God
I never did
Does God believe in me?
I know he did
Don't believe in God
I never did
Does God believe in me?
I know he did
