

# Brenda Lee, Crazy Talk

Everytime I see you comin' a walkin' down the street  
Oh I get a funny feelin' and my heart skips a beat  
I hear a little bell ring (ring-a-ling ring-a-lig) I hear the lovebird sing  
The way you rock when you walk just makes me bubble crazy talk  
Pa pa do do do do wap pi pi a di de di de woa  
Wi pi pa pa pa pa do baby talk me lot of you  
Crazy talk crazy talk wap a di di di di do  
Crazy talk crazy talk baby talk me lot of you

Everytime your look love it's a hope of me  
I could climb my highest mountain and I could sail the deepest sea  
I hear a little bell ring...
