

# Brenda Lee, Crying Time

Oh, its crying time again your gonna leave me.  
I can see that far away look in your eyes  
I can tell by the way that you hold me,  
That it won't be long before its crying time

Now they say that absence makes the heart grow fonder,  
And that tears are only rain to make love grow  
Oh, my love for you could never grow no stronger,  
If I live to be a hundred years old

Now its crying time again cause your leaving.  
I can see that far away look in your eyes.  
I can tell by the way you hold me darling,  
That it won't be long before its crying time

Now, you say you found someone that you love better,  
That's the way it's happened every time before  
And as sure as the sun comes up tomorrow,  
Crying time will have start when you walk out that door

Oh, it's crying time again your gonna leave me,  
I can see that far away look in your eyes  
Oh I can tell by the way you hold me darling,  
That it won't be long before its crying time  
No, it won't be long before its crying time
