

# Brenda Lee, For Once In My Life

For once in my life I have someone who needs me  
Someone I needed so long  
For once unafraid I can go where life leads me  
For once I can touch what my heart used to dream of  
Long before I knew someone warm like you  
Would make my dream come true, oh yeah  
For once in my life I want to miss all that hurt me  
Now that love's hurt me before  
For once I have someone  
I know won't desert me  
I'm not alone anymore  
For once I can say this is mine you can't take it  
Long as I know I have love I can make it  
For once on my life I have someone who needs me  
Ye ye yeah someone who needs me, yeah  
For once in my life I have someone who needs me  
Someone I needed so long  
For once unafraid I can go where life leads me  
For once I can touch what my heart used to dream of  
Long before I knew someone warm like you  
Would make my dream come true, oh yeah  
Yeah telling you right now  
For once in my life I have someone who needs me  
Somebody listen to my plea  
Once in my life I have someone who needs me  
I wanna tell you once in my life  
I have someone
