Brenda Lee, If You Love Me (Really Love Me)

If the sun should tumble from the skies if the sea should suddenly run dry If you love me really love me let it happen I won't care If it seems that everything is lost I will smile and never count the cost If you love me really love me let it happen darling I won't care Shall I catch a shooting star shall I bring it where you are if you want me to I will You can let me any test I'll do anything you ask if you only say you love me still When at last the life on earth is through I will share each other tear will you If you love me really love me let it happen I won't care If you love me really love me let it happen I won't care
