

# Brenda Lee, Just Because

Well now just because you think you're so pretty just because you think you're so hot  
Just because you think you've got something that nobody else has got  
Though you make me spend all my money you laugh and call me old Santa Cause  
Well I'm telling you honey I'm through with you just because just because

[ sax ]

Yeah well now just because you think I'm so lonesome just because you think I'll be blue  
Just because you think I'd be foolish to stay around at home and wait for you  
Though you made me drop all my boyfriends you laugh and call me old Santa Cause  
Well I'm telling you honey I'm through with you just because just because  
Though you make me spend all my money...
