

Brenda Lee, My Baby Likes Western Guys

Oh my baby came to my house last night oh yeah
I thought maybe he would hold me tight oh yeah
But my baby had to watch Cheyenne said it left his head in a spin
Had to watch Wyatt Earp too hnd that left me feelin' so doggone blue
Well my baby likes all the western guys oh yeah
He ain't got no use for me tonight oh yeah
[guitar]
My baby likes all the western guys oh yeah
He ain't got no use for me tonight oh yeah
Asked me for a Saturday date he said no thanks won't come so late
He had to see Mr. Dillon walk up Boot Hill Chester's afraid he's gonna get killed
My baby likes all the western guys oh yeah
He ain't got no use for me tonight oh yeah
[guitar]
Oh my baby likes all the western guys oh yeah
He ain't got no use for me tonight oh yeah
He came to my house on a Sunday night
Thought maybe he would hold me tight
But the Maverick boys were on that screen
And that left me feelin' so doggone mean
My baby likes all the western guys oh yeah
He ain't got no use for me tonight oh yeah
