

Brenda Lee, Somewhere

There's a place for us
Somewhere a place for us
Peace and quiet and open air
Wait for us somewhere

There's a time for us
Someday, a time for us
Time together with time to spare
Time to learn
Time to care
Someday
Somewhere
We'll find a new way of living
We'll find a new way of giving
Somewhere

There's a place for us
Much time and a place for us
Hold my hand and we're halfway there
Hold my hand and I'll take you there
Someday
Somehow
Somewhere
