

# Brenda Lee, The Big Chance

Well I had a chance to make my baby mine oh mine  
Well knock the cart up in the sky baby and me were flyin' high  
Like a fool I fooled around and before I knew it I hit the ground  
Well if you'll give me one more chance with you and one two things that I will do  
Shout out loud and swim the ocean blue  
That I'll climb that mountain high to tell the world that I  
Got me one more chance its true Yeah one more chance to keep on lovin' you

[Sax]

Now looky here honey I've been sweet on you for such a long long time  
Well ride me over with a choo-choo train if it's you I won't complain  
Put me down in the ocean deep and you won't hear a little ole peep peep  
If you'll give me one more chance...  
Yeah one more chance to keep on lovin' you  
Ah ah want one more chance to keep on lovin' you  
One more chance to keep on lovin' you yeah one more chance to keep on lovin' you
