

Brenda Lee, Unforgettable

Unforgettable, that's what you are
Unforgettable, though near or far
Like a song of love that clings to me
How the thoughts of you does things to me
Never before, has someone been more

Unforgettable in everyway
And forever more, that's how you'll stay
That's why darling it's incredible,
That someone, so unforgettable
Thinks that I am unforgettable too

Unforgettable, that's what you are
Unforgettable, though near or far
That's why darling, it's incredible
That someone, so unforgettable
Thinks that I am unforgettable too
