

# Brenda Lee, We Had A Good Thing Going

Oh baby, I know that we just couldn't go wrong  
No matter how hard we might have tried  
For you and I, we're just too much alike to get along  
Oh what a shame to have to set so much aside

Cause baby, we had a good thing going,  
Yes we did now though the good times,  
Were far and few between  
Oh baby, We had a good thing going yeah we did  
But we lost it somewhere and Lord knows its a crying shame

I remember we agreed to go our separate ways  
It just broke my heart to say goodbye  
Cause I believe, if it had been another time and place  
Oh we'd have made it  
If we had given it one more try

Cause baby, we had a good thing going,  
Yes we did now though the good times,  
Were far and few between  
Oh baby, We had a good thing going yeah we did  
But we lost it somewhere and Lord knows its a crying shame  
Yes we lost it somewhere and Lord knows its a crying shame
