

# Brenda Lee, We Had It All

I can hear the wind blowin' in my mind  
Just the way it used to sound through the Georgia pines  
And you were there to answer when I called  
You and my Lord knows we had it all  
Remember how I used to touch your hair  
While reaching for the feeling that was always there  
You were the best thing in my life I can recall  
Oh Lord you and me we had it all  
I know that we can never live those times again  
So I let these dreams take me back to where we've been  
Then I stay there with you just as long as I can  
Oh it was so good, oh it was so good, yes it was so good,  
When you were my man  
I never stop believing in this life  
Even though ya didn't stay it was all worthwhile  
You were the best thing in my life that I recall  
Oh you and me we had it all  
Yes you and me we had it all
