

# Brenda Lee, What A Difference A Day Made

What a difference a day made, twenty four little hours  
Brought the sun and the flowers where there use to be rain  
Umm, my yesterdays were blue dear  
Today I'm a part of you dear  
Yes, my lonely nights are through dear  
Since you say you are mine, all the time  
What a difference a day made  
Now there's a rainbow before me  
Skies above can't be stormy since that moment of bliss  
Umm, that thrilling kiss  
It's heaven when you, when you find romance on your menu  
Aah what a difference a day made  
Umm and the difference is you  
What a difference a day made, umm and the difference is you
