

Brenda Lee, Where Are You

Where are you, where have you gone without me
I thought you cared about me
Where are you
Where is my heart, where is the dream we started
I can't believe we parted
Where are you

When we said goodbye love, was it just a game
When I gave you my love, was it all in vain

All life though, must I go on pretending
Where is my happy ending
Where are you

When I gave you my love, was it all in vain
Oh, all life though must I go on pretending
Where is my happy ending
Where are you
Please tell me where
I ask you where are you
