

Brenda Lee, White Silver Sands

Where the deep blue pearly waters
Wash upon white silver sands
There on the brink of love I kissed him
And obeyed my hearts command

Where the deep blue pearly waters
Wash upon white silver sands
We watched the sun
Sit in the evening in a far and distant land
Here beneath Gods blue heaven
There's a place I gotta go
When the sun sets in the evening
It's the only love I know
Where the deep blue pearly waters
Wash upon white silver sands
There on the brink of love I kissed him
And obeyed, I obeyed by hearts command

We watched the sun set in the evening,
With the moon low and pale
Watched the captain ride the pinto,
He rode out the pathless trail
Yeah where the deep blue pearly waters
Wash upon white silver sands
There on the brink of love I kissed him
And obeyed my hearts command
