

# Brenda Lee, You'll Never Know

You'll never know just how much I miss you  
You'll never know just how much I care  
And if I tried  
I still couldn't hide my love for you  
You ought to know  
For haven't I told you so a million or more times

You went away and you took my heart with you  
I speak your name in my every prayer  
If there is some other way to prove that I love you  
Honey, I don't know how you'll never know  
If you don't know now

Yes, I speak your name in my every prayer  
Oh, if there is some other way to prove that I love you  
I guess you're gonna have to show me how  
You'll never know if you don't know now
