

Brettell, The Easiest

Nobody said she was easy
Its such a shame she is seen in this way
Everyone knows she is easy
No one ever said it would be this hard
(Oh) to have her here in my arms

The clothes that she is wearin
The make-up she's usein
Pulling the boys as they come

The questions I'm askin
The answers I'm findin
Will I get a chance with this girl

She told me she loved me
Came back and held me
'Oh, When do you want me to start'

Runnin' after her
Smellin' her perfume
Gettin' together as one

Nobody said she was easy
Its such a shame she is seen in this way
Everyone knows she is easy
Easier to pull than an exit door
I'm going back for some more.
