## Brettell, The Easiest

Nobody said she was easy Its such a shame she is seen in this way Everyone knows she is easy No one ever said it would be this hard (Oh) to have her here in my arms

The clothes that she is wearin The make-up she's usein Pulling the boys as they come

The questions I'm askin The answers I'm findin Will I get a chance with this girl

She told me she loved me Came back and held me 'Oh, When do you want me to start'

Runnin' after her Smellin' her perfume Gettin' together as one

Nobody said she was easy Its such a shame she is seen in this way Everyone knows she is easy Easier to pull than an exit door I'm going back for some more.
