

Brettell, Why Is There No One Quite Like Me?

I get the strangest feeling I'm not liked.

Why is there no one quite like me?
Is it because I act as if I'm fifteen?
Why is there no one quite like me?
Even when I'm not all myself -
I can't avoid who I am.

I can't stand myself
I'm being held up by people I hate
Still my life goes on and
I've got my mind on one thing you know...
Yes you know
Oh where had she gone?
I get the strangest feeling I'm not loved.

Why is there no one quite like me?
Is it because I look like I'm just sixteen?
Why is there no one quite like me?
Even when I'm being different -
I'm really that unique.

Oh, what am I doing wrong?
Is it to do with this song?
It's so long.

I can't write tonight
Everybody's saying that I'm not alright.
Still I try my hardest
I am seeing things that are not meant to be seen.
All my life
Oh where have I been?
I get the strangest feeling I'm not know.

Why is there no one quite like me?
Is it because I act as if I'm fifteen?
Why is there no one quite like me?
Even when I'm not all myself -
I can't avoid who I am.

Oh, what am I doing wrong?
Is it to do with this song?
It's not so long.

Why is there no one quite like me?
Is it because I act as if I'm fifteen?
Why is there no one quite like me?
Even when I'm not all myself -
I can't avoid who I am.

Why is there no one quite like me?
Why is there no one who likes ... me?
