

# Brian Head Welch, A Cheap Name (Demo Version)

My little boy  
Bow your head in shame  
You've disgraced your father's name now  
It's time you choose  
Your little toys  
Won't save you from shot ten  
Without me you will not win no  
I swear you'll lose

Wisdom comes through suffering  
Tell me why'd you let him give you a cheap name?  
It's time to come home  
Play time's over now

It's my world  
It's my world  
Son it's my world  
It's my world  
It's not your world

I tried peace  
I tried love  
I tried kind  
I give up
