

# Brian Jonestown Massacre, End Of The Day

I want to be  
? your hands  
I wait to see  
I'm meeting your demands  
I'm making your demand  
So sad

I'm ?  
? what you are  
?  
?  
It's like ?  
?  
?

You want much more than I  
Can give  
You waited for a time  
? silently

? sometimes  
Took ?  
She wants much more than I  
Can give  
?  
Not sorry I  
Was what you want  
To ?

You want much more than I  
Can give  
Can give
