

Brian Jonestown Massacre, (I Love You) Always

I'll love you
No matter what you may do
I'll always
Be the one for you
My love will never change
Always stay the same
No matter what you do

Or always
Forever in this way
I'll never
Be the one to say
That I have had enough
Because I am in love
Always

You grace my days with your light
Even when it dims your soul is shining bright
You give me something that I need
The love that I give to you has no greed

So don't apologize
Can't you see
Don't want to change you
Just want you to be
Everything we see
What you want to be
It's easy

You grace my day with your light
And even when it dims it still is shining bright
You gave me something that I need
The love that I give to you
All comes back to me
