

# Brian Jonestown Massacre, No Come Down

I'm waiting for the come down  
to put me in my place  
i'm giving you the low down  
so you don't make my mistakes  
i've tried to take it easy  
i did the best i could  
i'm waiting here for Jesus  
cause it makes me feel so good

i'm living like a Devil  
although i am a Saint  
they promise me salvation  
but i don't have time to wait  
if there's a God in Heaven  
then tell him where i am  
tell him i'm real busy now  
and i'll see him when i can  
i'll get there when i can.

when i get out of here  
i'm going to feel real fine  
when i get out of here  
i'm going to loose my mind  
i'm going to get real high  
i'm going to get real low  
i'm going to take it fast  
and then i take it slow  
i'm going to get you there  
and then i'll bring you back  
i got the Holy Spirit  
breathing down my neck  
i'm going to climb the walls  
i'm going to swim the moat  
i've got God my father  
jumping down my thought  
i've got the Virgin Mary  
naked on my bed  
and i got sweet Lord Jesus  
living in my head  
oh yeah.

i'm lying on the pavement  
i got too big a dose  
you said you'd treat me right boy  
but this don't even come close  
if i catch up to you  
i'm going to split your skull in two  
you best be leaving town now  
cause i'm coming after you
